

TRANSPORT PACKAGING SOLUTIONS

## Wrap Around

Edgeboard for round objects

- 100 % recyclable
- Flexible
- Durable
- Corrosion-free

Sustainable packaging is your contribution to the environment

## WHAT IS A WRAP-AROUND EDGEBOARD?

Eltete TPM edgeboard made out of carton, is a 100% recyclable transport packaging product. It protects the edges of products with different shapes. WA-edgeboard has been designed for rolls, round tables or other round or irregular objects.

## SIZES

A	55/78mm
B	30-130mm
C	30-100mm
B+C	200mm max
D	1-3 mm
Length	800-6000mm

Steel industry has changed their way of packaging from steel protection to carton WA-edgeboards. Carton is much easier to handle and they have found this type of packaging very suitable for their needs in many ways.

## QUALITIES

### BIO

- surface: white or brown

### HS (Heat-sealed)

- surface: white or brown
- humidity proof

Available also as a heavy-duty (with reinforcement) or self-adhesive version.

All our edgeboards are 100% recyclable according to the European ReSy norms.

## NOTCHING ALTERNATIVES

55 mm notching

78 mm notching

## SOLID DISCS & SHEETS

To finalize the packaging, we can also provide a wide range of protective discs and sheets for the ends and sides of the rolls.

## WHO ARE THE POTENTIAL USERS?

Paper and plastic roll producers have been able to reduce transport damage by protecting the ends of their products with compact WA-edgeboards.

Furniture industry is producing delicate products of vastly varying shape and size, without WA, they would have trouble finding effective protection.

Eltete TPM Ltd (Transport Packaging Materials) is a global carton board converter and an ISO-certified supplier of 100% recyclable transport packaging materials. With our own engineering division we are able to react quickly to customer demands.

With experience since 1974, we are experts in the needs of today's market. Innovative and high-quality packaging solutions made of compact carton board are being offered in more than 60 countries through Eltete sales organization. With 19 production sites in 15 countries we are close to our customers.

Eltete TPM is the world's leading producer of sustainable carton board transport packaging materials and solutions.
