

**Regulation (EC) No 1907/2006 of the European Parliament
and of the Council REACH**

To whom it may concern:

Hereby we confirm that products supplied by Eltete TPM Ltd are not requiring registration according to REACH. The chemicals contained in the final product do not dissolve or evaporate and are therefore exempted from the registration.

We will take immediate action if we receive any information about changes and a need for registration of any admission of a material contained in our products which are mentioned in the so-called list of candidates in accordance to art. 59 (proposal list of the listing of the registration-obligated materials in accordance with article 57 iVm appendix XIV of the EU regulation 1907/2006, Registration, Evaluation, Authorisation and Restriction of Chemicals). To the best of our knowledge, SVHC listed in the Candidate list published on August 11th, 2025, are not included in our products in quantities above 0.1%. This statement is based on information from our up-stream suppliers.

For any further inquiries please don't hesitate to contact us.
