

**Regulation (EC) No 1907/2006 of the European Parliament
and of the Council REACH**

To whom it may concern:

Hereby we confirm that the transport packaging products supplied by Eltete TPM Ltd qualify as articles under the REACH Regulation. Therefore, they do not require registration under Article 7(1), as they do not contain substances intended to be released under normal or reasonably foreseeable conditions of use.

We confirm that all products supplied by Eltete TPM Ltd comply fully with the restrictions set forth in Annex XVII of the REACH Regulation (Article 67). Our products do not contain any restricted substances exceeding the applicable legal limits or conditions specified for industrial and commercial packaging applications.

In accordance with Article 33 of the REACH Regulation, we continuously monitor the Candidate List of Substances of Very High Concern (SVHC) managed by the European Chemicals Agency (ECHA). To the best of our current knowledge and based on the declarations received from our upstream suppliers, our products do not contain any SVHCs in concentrations above 0.1%.

We remain committed to reviewing our products against any future updates to the Candidate List or amendments to Annex XVII. Should any changes occur that affect the compliance status of our products or trigger new information obligations, we will take immediate action and notify our customers accordingly.

For any further inquiries please don't hesitate to contact us.
