

Compliance Statement PPWR

Eltete TPM Oy hereby confirms that the carton board transport packaging produced by the company complies with the EU Packaging and Packaging Waste Regulation (PPWR), Regulation (EU) 2025/40.

Our carton board packaging complies with the recyclability requirements set to apply from 2030, supports material efficiency obligations, and does not contain any restricted substances like PFAS or other hazardous chemicals above permitted thresholds. Eltete TPM Oy is prepared to implement all required EU harmonised labelling once the final standards are published. This statement is based on testing and data provided by our raw material suppliers.

Eltete TPM Oy has prepared and signed the EU Declaration of Conformity documents based on regulation (EU) 2025/40 confirming that all our packaging products are compliant with the Articles 5-12.

The Declaration of Conformity is held by the company Eltete TPM Oy and will be delivered to the relevant authorities upon request. Product-level datasheets, specifications, and information about additional packaging used during transport will be made available to the customer as needed.

Eltete TPM Oy confirms continued commitment to full compliance with all PPWR provisions and EU circular economy objectives.
