

Compliance Statement PPWR

Eltete TPM Oy hereby confirms that the transport packaging used by the company complies with the EU Packaging and Packaging Waste Regulation (PPWR), Regulation (EU) 2025/40.

Our transport packaging used to pack our products complies with the recyclability requirements set to apply from 2030, supports material efficiency obligations, and does not contain any restricted substances like PFAS or other hazardous chemicals above permitted thresholds. This statement is based on testing and data provided by our raw material suppliers.

Eltete TPM Oy has prepared and signed the EU Declaration of Conformity document based on regulation (EU) 2025/40 confirming that all our transport packaging used are compliant with the Articles 5-12.

The Declaration of Conformity is held by the company Eltete TPM Oy and will be delivered to requiring authorities upon request.

Eltete TPM Oy confirms continued commitment to full compliance with all PPWR provisions and EU circular economy objectives.
